Re: Behaviour Improvement Journey

Dear Parent/Carer

Thank you to the families who have attended our Behaviour Improvement Journey presentations this week. Your support is greatly appreciated and your questions and feedback have been invaluable.

We fully realise that not all families have been able to attend, but want to ensure that all stakeholders are aware of the developments we are implementing from Tuesday 28th June. Over the past six weeks, we have taken the following actions to ensure the right steps are in place to support our journey:

- Regular staff training
- Student assemblies
- Student training during Personal Tutor time
- Student feedback through OHA website
- Feedback to staff and students
- Parental Information Evening (x2)

If you have been unable to attend either of Parental Information Evenings, please click on the link below, which will give you access to the presentation that was shared with parents and the key documentation that will allow you to fully understand the developments we have made to our current systems.

With regard to detentions, if your son/daughter is unable to attend a detention for a valid reason, please contact reception by 2pm on the day of the detention with the required details. The detention will then be rearranged for the next available afternoon.

We are looking forward to implementing our revised system and believe it will support students' learning, as well as further emphasising our Academy Values of Respect, Resilience & Responsibility.

Thank you in advance for your support and I look forward to feeding back to you before the end of the academic year.

Yours sincerely

Mr A Fitzgibbon
Principal
