To the Parent/Carer of [REDACTED]

Dear Mrs [REDACTED]

Progress Check 1 Report - [REDACTED] - 7A1

Please find below and overleaf the Progress Check 1 Report for [REDACTED].

Attendance & Punctuality	
Attendance:	Punctuality: Number of Lates
98.7%	0

- Good attendance is between 95% and 100%.
- Students who have attendance below 95% are a cause for concern.
- The number of lates is how many times Ava arrived late for a lesson or registration.

Learning Journeys

In order to report how well learners are progressing and what they are currently on track to achieve at the end of Key Stage 3, student achievement in each subject area will be reported in relation to their current 'Learning Journey'.

Threshold	What does this mean?
Developing	Students have begun to grasp the concept of and show some competency with skill but it is not secure i.e. the skill is not consistently applied or the students demonstrates some misunderstanding still.
Secure	The students understanding with the skills is secure i.e. they make few or no mistakes when applying the skills and show a solid understanding of the content covered (but not extensive).
Mastery	Students have mastered a skill and are now applying it and testing in numerous situations and contexts. They are showing a flair beyond simply knowing, understanding, applying and are now going beyond expectations. Knowledge will be detailed and be beyond what is required to simply understand a topic.

If you have any questions regarding [REDACTED] progress, you can contact [REDACTED] Head of Year 7 Miss Harris [email: kharris@ormistonhorizonacademy.co.uk]

Yours sincerely
