1. Introduction

- 1.1. Ormiston Horizon Academy is committed to supporting our students to make informed decisions about their future pathways. We act impartially, in line with our statutory duties, to ensure that we promote a full range of academic routes, technical routes and apprenticeships. We believe that it is vital to ensure that all pupils are aware of the benefits of apprenticeships, T levels and other approved technical qualifications and can consider them, alongside academic options, when making decisions about their next steps, aiming to reduce drop out from courses and avoid the risk of students becoming NEET (Young people not in education, employment, or training).
- 1.2. This policy statement sets out the school's arrangements for managing the access of providers to pupils at the school for the purposes of giving them information about the provider's education or training offer. This complies with the school's legal obligations under Section 42B of the Education Act 1997, the legal duty known as the 'Baker Clause', 2018 and the Skills and Post-16 Education Act 2022.
- 1.3. The quality and impact of careers provision at Ormiston Horizon Academy is monitored by the Career Leader, our Senior Leadership Team, the National Lead Practitioner Enrichment Careers and OAT, based on current good practice guidelines by the Department for Education. Access and opportunity to engage with technical, vocational, and training providers will form part of this process.
- 1.4. Links with other policies. This policy supports and is underpinned by key school policies, including those for Careers, Child protection, Equality and diversity, and SEND.
- 1.5. Equality and Diversity. Access to other providers is available and promoted to allow all students to access information about other providers of further education and apprenticeships. Ormiston Horizon Academy is committed to encouraging all students to make decisions about their future based on impartial guidance.

2. Pupil entitlement

2.1. Meaningful provider encounters

- 2.1.1. One encounter is defined as one meeting/sessions between pupils and one provider. We are committed to providing meaningful encounters to all pupils using the Making it meaningful checklist. [Making it Meaningful: Benchmark 7 | CEC Resource Directory \(careersandenterprise.co.uk\)](#)
- 2.1.2. As part of our careers programme, we will consider requests from approved training, apprenticeship, technical and vocational educational providers, including University Technical Colleges where appropriate, to speak to our students. Ormiston Horizon Academy will also approach these providers directly when planning and organising key career related events throughout the school year, such as school assemblies, webinars within the curriculum, including live events, careers management events and parents' evenings.

2.2. Pupil entitlement

2.2.1. The Baker Clause is legally enforceable, and our academy is committed to meeting its requirements. All pupils in years 8 to 13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- To understand how to make applications for the full range of academic and technical courses

2.2.2 *Minimum frequency and key stage*

2.2.3. *All pupils are entitled access to post-16 providers on a **minimum of two occasions** during each of the first, second and third key phases of their education.*

2.2.4. *In line with the updated Provider Access Legislation, **from January 2023**, all schools must provide a **minimum of six encounters** for all students with post 16 providers, as above. This is broken down into key phases.*

2.2.5. We define the phases as:

- **First key phase:** the period beginning at the same time as the school year in which the majority of pupils in the pupils' class attain the age of 13 and ending with 28 February in the following school year (Year 8 and between 1 September and 28 February during Year 9)
- **Second key phase:** the period beginning at the same time as the school year in which the majority of pupils in the pupils' class attain the age of 15 and ending with 28 February in the following school year (Year 10 and between 1 September and 28 February during Year 11) and
- **Third key phase:** the period beginning at the same time as the school year in which the majority of pupils in the pupils' class attain the age of 17 and ending with 28 February in the following school year (Year 12 and between 1 September and 28 February during Year 13)

2.2.6. *For pupils of compulsory school age these encounters are **mandatory** for all to attend and there will be a minimum of two encounters for **year 8 to 9** pupils and two encounters for **year 10 to 11** pupils. For pupils in **year 12 to 13**, particularly those that have not yet decided on their next steps, there are two more provider encounters available during this period, which are optional for pupils to attend.*

2.2.7 Content of the provider encounters

2.2.8. We ensure that each registered pupil meets with a representative range of education and training providers to whom access is given and that the providers will provide the following set of prescribed information, as a minimum:

- Information about the provider and the approved technical education qualifications or apprenticeships that the provider offers;
- Information about the careers to which those technical education qualifications or apprenticeships might lead;
- A description of what the learning or training with the provider is like; (including the opportunity to meet staff and students from the provider) and
- Responses to questions from the pupils (including our most vulnerable and those with additional learning needs) about the provider or technical education qualifications and apprenticeships.

2.2.9. Where practical, our registered students will have access to a university technical college

2.2.10. Ormiston Horizon Academy defines an encounter as at least 1 hour during the academic day.

2.2.11. Parental involvement is encouraged, and parents may be invited to attend events to meet with providers.
