

# Year 10 Mock Exam Revision List – Geography

## How to revise Geography:

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/ write/ check.

## Additional Information:

You will be expected to:

- Read and complete maps and graphs
- Use geographical terminology confidently
- Describe and explain processes and concepts

## Revision List:

- Rates of growth in cities
- Rio and why it is important
- Urban planning to improve quality of life in Rio (Favela Bairro project)
- Sustainable urban developments – making cities 'green'
- Calculating mean, mode, median, range
- The north-south divide
- The impact of migration on Bristol
- Challenges created by urban change in Bristol
- The four sectors of industry (primary, secondary, tertiary and quaternary) –how and why have they changed?
- The UK's economic and political links with the wider world
- Population pyramids
- Development indicators e.g., birth rate, death rate, infant mortality etc.
- The demographic transition model
- The impact of aid in Nigeria
- The advantages of disadvantages of aid in Nigeria (Shell)
