Year 9 – Computing

How to revise Computing:

Knowledge organisers for each unit

Class notebook starter activities

BBC bitesize (website free to use)

Looking through assignments on Teams

Additional Information:

The assessment will cover all things we have looked at so far in Year 9.

Use BBC bitesize to look at topics, they also have a quiz for each topic so you can identify gaps in learning.

Revision list:

Units covered- Cyber security

- The difference between data and information

- How to protect ourselves from cyber security risks (firewall, 2 factor authentication, anti-malware, CAPTCHA, passwords)

- Types of malware (trojan, worm, virus, ransomware, spyware, adware)

- Social engineering (phishing, blagging, shouldering)

- Hacking and script kiddies

- The computer misuse act
