

Year 10 AP 2 – Music

How to revise Music:

- As there is no exam you should be continually working on making improvements to your coursework, composition and D.A.W projects.
- You should also regularly go over any key terms that we have covered in lessons and check that you understand them. If you don't, you can either see me or research them online.
- Identify key techniques used when listening to music.
- Practice your instrument!

Additional Information:

You should be regularly practicing your instrument and improving your composition and D.A.W project.

Revision list:

- The musical elements
- Blues
- Rock 'n' Roll
