

Year 9 AP2 – Geography

How to revise Geography:

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/ write/ check.

Additional Information:

You will be expected to:

- Read and complete maps and graphs
- Use geographical terminology confidently
- Describe and explain processes and concepts

Revision List:

Using the Knowledge Organiser for 'Population and Development', revise the following:

- Population distribution and density
- Population change
- Population pyramids
- Migration

Using the Knowledge Organiser for 'Water and Coasts', revise the following:

- Wave types
- Erosional processes
- Headlands and bays
- Caves, arches, stacks and stumps

Using the Knowledge Organiser for 'Glaciers' revise the following:

- Glacial processes
- Glacial landforms
- Climate change and glaciers

Using the Knowledge Organiser for 'Natural Resources', revise the following:

- Natural resources and where they are distributed
- How we use water as a resource
- Food insecurity and why it exists
- Renewable energy
