

# Year 7 AP2 – Geography

## **How to revise Geography:**

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/ write/ check.

## **Additional Information:**

You will be expected to:

- Read and complete maps and graphs
- Use geographical terminology confidently
- Describe and explain processes and concepts

## **Revision List:**

### OS Map Skills

- How to use an OS map – including grid references, map symbols, distance and scale

### Restless Earth

- Krakatoa Case Study – why was it significant. Effects and mitigation
- 

### Population and Development

- Population distribution and density
- Population change
- Population pyramids
- India – location, culture, why it has urbanised
