

Year 11 AP 1 History Revision List

How to revise History:

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/write/ check.

Additional Information:

Remember History is more than just knowing facts! You will be expected to:

- Make inferences
- Judge source utility
- Explain ideas
- Evaluate statements

Revision List:

For Medicine 1700 to Present, revise the following:

- Continuity and change in explanations of the cause of disease and illness. The influence in Britain of Pasteur's Germ Theory and Koch's work on microbes.
- The extent of change in care and treatment: improvements in hospital care and the influence of Nightingale. The impact of anaesthetics and antiseptics on surgery.
- New approaches to prevention: the development and use of vaccinations and the Public Health Act (1875).
- Key individual: Jenner and the development of vaccination.
- Fighting Cholera in London (1854); attempts to prevent its spread; the significance of Snow and the Broad Street pump.
- Advances in understanding the causes of illness and disease: the influence of genetic and lifestyle factors on health.
- Improvements in diagnosis: the impact of the availability of blood tests, scans and monitors.
- The extent of change in care and treatment. The impact of the NHS and science and technology: improved access to care; advances in medicines, including magic bullets and antibiotics; high-tech medical and surgical treatment in hospitals.
- New approaches to prevention: mass vaccinations and government lifestyle campaigns.
- Key individuals: Fleming, Florey and Chain's development of penicillin.
- The fight against lung cancer in the twenty-first century: the use of science and technology in diagnosis and treatment; government action.

For Medicine in the Trenches, revise the following:

- The historical context of medicine in the early twentieth century: blood transfusions and developments in the storage of blood.
- Conditions requiring medical treatment on the Western Front, including the problems of ill health arising from the trench environment.

For Anglo-Saxon and Normans, revise the following:

- Monarchy and government. The power of the English monarchy. Earldoms, local government and the legal system.
- The economy and social system. Towns and villages. The influence of the Church.
- The house of Godwin. Harold Godwinson's succession as Earl of Wessex. The power of the Godwins.
- Harold Godwinson's embassy to Normandy. The rising against Tostig and his exile. The death of Edward the Confessor.
- The motives and claims of William of Normandy, Harald Hardrada and Edgar.
- The Witan and the coronation and reign of Harold Godwinson.
- The Battle of Hastings; reasons for William's victory, including the leadership skills of Harold and William, Norman and English troops and tactics.
