

# Year 9 AP 1 – Geography

## **How to revise Geography:**

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/ write/ check.

## **Additional Information:**

You will be expected to:

- Read and complete maps and graphs
- Use geographical terminology confidently
- Describe and explain processes and concepts

## **Revision List:**

On the KS3 Knowledge Organiser 'Tectonic hazards', revise the following:

- What are volcanoes?
- How are volcanoes structured?
- What happens before, during and after a volcanic eruption?

Using the Year 8 'Development' Knowledge Organiser, revise the following:

- What is development and how is it measured?
- What is the development gap?
- Fairtrade and closing the development gap

Using the Year 9 'Is China the Factory of the World?' Knowledge Organiser, revise the following:

- The four sectors of industry
- Globalisation – what is it and why has the UK become increasingly globalised
- TNCs in China

## **Revision List:**

### Climate change

- What is climate change?
- How has climate changed overtime?
- The greenhouse effect
- Evidence of climate change
