

# Year 10 AP 1 – History

## **How to revise History:**

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/ write/ check.

## **Additional Information:**

You will be expected to:

- Explain ideas and how they helped/hindered progress in medicine
- Evaluate a statement and reach a conclusion.
- Use evidence to support the points you make.

## **Revision List:**

You will need to know:

- Medicine in the Medieval Era
- Medicine in the Renaissance
- Medicine in the 18<sup>th</sup> and 19<sup>th</sup> Centuries
- Medicine in the Modern Era

Within these topics, you will be expected to:

- Understand why, and how, medicine changed in each time period.
- Understand how factors encouraged/prevented progress in medicine.
