

# Statistics Year 10 Revision List

ACHIEVING MORE TOGETHER

These are the topics you should revise for your GCSE Statistics Paper. Make sure you look over your own notes as well as seeking out guidance in any of the topics you aren't sure of that appear on the list below.

Please remember that you have a calculator for each of the following topics. Make sure you are familiar with the calculator methods for each:

- Using formulae
- Estimating the mean from tables of grouped data
- Population Pyramids
- Histograms
- Sampling techniques
- Time series
- Displaying data and the best graphs for certain situations
- Petersen Capture-Recapture
- Probability trees
- Spearman's Rank Correlation Coefficient (SRCCs)
