

# Year 9 AP 2 – Music

## How to revise Music:

- Listen to a variety of genres, identify techniques that we have studied in lessons.
- Critically listen to and evaluate the techniques used in the songs you enjoy. Consider how you can use them in your own songwriting.
- If you have an instrument at home, practice what we have been learning in class.
- Ensure you understand key terms.

## Additional Information:

- Please see Miss Smith if you have any further questions on Songwriting.

## Revision list:

- Instrumental skills
- Ensemble skills
- What is a chord progression?
- Understanding major and minor
- Applying creative planning to practical work.
