

Year 10 Mock Revision List - Drama

How to revise Drama:

Read Blood Brothers and visualise it in performance. What would you do? How would you say that? How would you stand? Etc.

Watch it on YouTube (the old but quality professional acting versions) and consider (evaluate) performance choices, stage placement, set and props, sound and lighting, etc.

Revision list:

- Revise staging types and areas of the stage
- Practice Skill + How + Effect + Why sentences
- Understand the roles and responsibilities of theatre makers
- Complete character studies
- Read/watch Blood Brothers
- Revise drama skills
- Revise materials for costume & set design

Additional Information:

Proxemics -the distance between characters to show relationships

Question 1 – 4 marks

Will ask you to design a costume or set design that is relevant to the extract, character, time period and social class.

Sentence starter: If I was designing the set for this extract, I would have a ...

Describe at least 4 items of furniture in detail (placement, colour, pattern, material, condition)

Finally, say WHY!

Question 2 – 8 marks

Will ask about **vocal and/or physical skills**, as well as what **effects** you intend to create with your choices. You could discuss...

Pitch, pause, tempo, volume, accent...

Posture, gesture, movement, facial expressions...

All will be in relation to character motivations and relationships (character context)

TIP: **describe skills** rather than just listing/stating them: a **worried** facial expression

Name skills and explain effects: I would use a and to demonstrate Mickey's love for Linda, and the fact that it has taken him a lot of courage to speak up.

Break up the line: on the first part of the line '.....', I would....

Question 3 – 12 marks

Will ask about **use of space and interactions** for a specific reason that the questions will specify.

Will need **multiple** and **precise** examples of how space and interactions will **be used to create the effect stated in the question**.

Will be in relation to context of the shaded extract / character relationships

TIP: **Describe skills** rather than just listing/stating them: a **worried** facial expression

Explain how and **why** you will use the space and interactions you describe.

On the line '.....' I would use aand whilst the actor who plays X uses This would create (*effect*) because.....
