

Year 8 AP 2 – Geography

How to revise Geography:

1. RAG rate the revision list opposite; red for areas of weakness, amber/yellow for areas you feel 'okay' in, and green for areas you feel confident in.
2. Choose one of your weak topics to focus on using the revision list.
3. Using the knowledge organiser, make some Q&A flashcards for this topic. Alternatively, you can look/cover/ write/ check.

Additional Information:

You will be expected to:

- Read and complete maps and graphs
- Use geographical terminology confidently
- Describe and explain processes and concepts

Revision List:

Using the Year 7 Knowledge Organiser, revise the following:

- How to use an OS map – including grid references, map symbols and scale
- Climate graphs – how to read one and what they show
- The structure of the earth
- Types of plate boundary

Using the Knowledge Organiser for 'Water and Coasts', revise the following:

- Wave types
- Erosional processes
- Transportation processes
- Headlands and bays
- Caves, arches, stacks and stumps
- Spits and bars

Using the Knowledge Organiser for 'Development, revise the following:

- What is development?
- The Brandt Line
- The development gap and how it can be closed
